PROGRAM EXTENSION FOR F-1 OR J-1 STUDENTS

Overview

An F-1 student may request for an extension of stay if he/she will not complete his/her course of studies by the date indicated on the SEVIS Form I-20 or DS-2019. If additional time is required, the student must contact Office of International Student and Scholar Services and submit the request for extension of program **at least 60 days** before the end date on the current I-20 or DS-2019.

Eligibility

To be eligible for an extension you must:

- Have continually maintained full-time F-1 or J-1 status, and
- Have compelling academic or medical reasons that caused the delay.

If the student violated his/her status as an F-1 or J-1 student and is out of status, the student must complete a reinstatement instead. *Delays due to academic probation or suspension do not qualify for extension.*

Application Procedure

The student must make an appointment to meet the International Student Advisor and bring the following documents to the appointment:

1. A completed Program Extension Form signed by your academic advisor;
2. Financial documents indicating your ability to pay to continue your studies to the new anticipated completion date;
3. Student's current SEVIS Form I-20 or DS-2019.

Please make sure you and your academic advisor complete the Program Extension Form on page 2 of this form to apply for extension.
